Well, you know, I save a lot of time using the Michael Jackson GPU GPS voice because when I use the Michael Jackson GPS voice, I'm automatically 500 yards away from the school. Okay, so that's a good many people got out of the car one person. Yeah, threw himself out of the car through of stuff. Yeah. I don't see there's your point five, right? I don't do political stuff too much but I see you know, one of the other ones I did was I try not to use the Kelly and Conway went too much because I always get to an alternate destination. Yeah.

Okay, cough all in that mask for yourself. You know what I thought it was weird. Asia walking around through them Michael Jackson mask and I was thinking to myself, you know, you're walking around with that mask. I had the bird flu or swine flu. I understood that but then y'all kept walking around to mass and I was like, I don't know what you guys doing. That's weird, but they they got a point. There's also a couple million people there so I can understand, you know, people probably call fit and not say, excuse me.

On please but it's so true everybody in the world. Even the most wealthy people they budget and when they don't most of them end up declaring bankruptcy, right if Michael Jackson needed to budget because he declared bankruptcy and he made so much money. It's kind of important that we all create these healthy boundaries with energy of money for ourselves people every income level budget and there's a reason why

Israel is this one to you know, just to put more on a pedestal a little bit. He's working Grammy Award winning producer worked with the Fugees. Lauryn Hill believe Sublime list goes on also really Michael Jackson a lot of metal bands now, so that's awesome. Yeah, so he yeah warms. Awesome me flew over. Yeah. We got stuff on Mon Valley and then we get it was pretty intense like like by the end of it like Ali got really ill. So we were

You can still like the work of fat asses without, you know, probably skills in them. Yeah, he was like so inspirational to a lot of people because you see like like modern work on the moments just you can't see so many links to Michael Jackson everything. I mean the closest person I can think of to Michael Jackson now is probably the weekend in terms of like voice and yeah voice said that he just he does a bit like that you just threw out there.

What's an inch? Yeah, exactly. The other thing people are going to say is that it I'll tell you how it happened. It's it's the old buzzword of the now it's the download extraterrestrial download into the head woke up. Boom. Got an idea guys quick pen and paper. What do you think of this? I'm a big believer in the download, you know, Mike Jackson when he would finish composing a song and putting the finishing touches on it. They'd be in the studio be like 2:30 in the morning and Michael would say

Quick hurry, we've got to copyright this and they would say Michael. It's 2:30 in the morning. What are you talking about? And he would say if we don't copyright it now by six o'clock tomorrow morning Prince will have it. Wow, that's so cool. But I haven't example a better example. I was exploring in Tibet. Now. I know that's kind of odd for a Westerner to say because we're not really allowed over there and I'm not admitting that I was hello sounds like you were but

We'll come at this with some nice. But yeah Jackson 5 joked TLC joked and sick Jack Swing. I don't even remember that boy. Destiny's Child joked that track did that. Yeah Jackson fire, but I think they even they've lost him the brand name. I was really caught even use Jackson 5 or G5 both of them. They can't name with Beyonce's dad. And he's the rightful owner of Destiny's Child. So apparently that's one of the reasons they can't go back on tour. Yeah. Sure. So I think I think I could be wrong if I find it. I think Jackson 5
